Projects to support
The Center of God's Mercy
in Paraguay:

[1] Health center

has already been built and now we are collecting money for the interior equipment. Account of public gathering: Building of health center in Paraguay

[3] Adoption Aregua

You can support children and students from Paraguay since January 2009. You can choose one of them on our websites or at contact persons. You will support the child (or the student) by a year payment 8000 CZK. From this amount, 100 USD is for schoolfee, equipment and clothes to school, and the rest is for basic clothes, food in the center and basic health care.

[4] Educational center

We bought a 4ha ground for 50 000 USD to build a Center for young people. The center should afford general care especially to drug addicts and AIDS patients and also to young people who do not have future unless someone supports them.

We lent money in both CZ and Paraguay to buy the ground. We need to pay it off by the end of the year 2009.
